

**Shanghai ,China - August 18,2025 – Facaplex**, a seasoned **Polycarbonate Sheet Factory** headquartered in Shanghai, is redefining modern architecture with its cutting-edge polycarbonate facade, curtain wall, skylight, and roofing solutions. With a legacy since **1996** and a robust manufacturing ecosystem, Facaplex delivers unparalleled quality, innovation, and design flexibility across global construction projects.

## Unmatched Capabilities from a True Polycarbonate Sheet Factory

As a full-service [Polycarbonate Sheet Factory](#), Facaplex offers integrated production—from polycarbonate microcell extrusion to aluminum and steel framing, mold fabrication, and sheet machining. This sophisticated manufacturing infrastructure empowers Facaplex to tackle custom and large-scale projects with precision, efficiency, and speed.

The advertisement graphic for Facaplex features a blue and white color scheme. On the left, the Facaplex logo is at the top, followed by the text 'POLYCARBONATE SHEET FACTORY' in large, bold, blue letters. Below this, it says 'From Raw Material to Roof: The Journey Inside a Polycarbonate Sheet Factory!'. A section titled 'OUR PRODUCTS:' lists four items with green checkmarks: 'SKYLIGHT PANELS', 'POLYCARBONATE ROOF', 'POLYCARBONATE WALL', and 'POLYCARBONATE PANELS'. At the bottom left, there is a 'Contact Us' button with a right arrow, a phone icon, the phone number '+86 13761311937', and a website icon with the URL 'www.facaplex.com'. On the right side of the graphic, there are two photographs: the top one shows a man and a woman in yellow hard hats and safety glasses smiling and looking at a large polycarbonate sheet; the bottom one shows a man in a yellow hard hat and safety glasses working on a large polycarbonate sheet.

## Innovative Product Lines That Blend Performance and Beauty

Facaplex's broad product range includes:

- **Translucent Facades** that harmonize privacy and daylight, offering thermal insulation, energy savings, and compelling nighttime aesthetics.

- **Polycarbonate Curtain Walls**, boasting lightweight construction, high impact resistance, and glare mitigation—all with dual-side UV protection for lasting durability.
- **Skylight and Roofing Solutions** that deliver excellent thermal insulation, leakproof reliability, and quick installation with pre-assembled factory units.

## Why Choose Facaplex's Polycarbonate Sheet Factory Today?

- **Exceptional Strength & Safety:** Polycarbonate panels outperform glass in durability—ranging from **200× stronger** (skylights/greenhouses) to **250× stronger** (facades).
- **Energy Efficiency & Comfort:** Advanced thermal insulation and daylight diffusion reduce energy consumption while minimizing glare and enhancing indoor ambiance.
- **Design Flexibility:** Available in diverse thicknesses, finishes, colors, and profiles, Facaplex's products empower architects to craft bold, custom solutions.
- **Durability and Sustainability:** UV-resistant coatings guard against yellowing and degradation, while the recyclable nature of polycarbonate aligns with sustainable building goals.

## Expanding the Horizons of Architectural Possibility

Facaplex continues to push boundaries in sustainable, dynamic construction materials. The company is exploring integrations such as BIPV (Building-Integrated Photovoltaics), ventilation control, adaptive shading, and smart façade technologies—positioning Facaplex at the leading edge of tomorrow's building envelopes.
